# HALLOWEEN FESTIVAL

FRIDAY, OCTOBER 31

Dear Room Parents:

1 - 3PM

Our plans for the upcoming Halloween Festival are well under way. The students will be enjoying a wide variety of games and activities as well as some inter-classroom competitions. Each classroom will be hosting a game/activity area. There are some fun activities for our parents too!

We are looking for volunteers to assist with hosting games/activities. Some responsibilities are set-up, running the game and break down during the hours of 12:30 and 3:20. The information for each area will be given to the volunteer the day of the event. Look for flyers, emails and on the website for various volunteer opportunities.

To help with clean up supplies and any food items requested should be sent in disposable containers, or labelled with your child's name and grade. Your food items can be brought on the morning of the 31<sup>st</sup>. A drop off area will be signed in front of the multi-purpose room. Please do not send food or requested supplies to the classroom or the Staff Lounge

Finally, we will be conducting a canned food drive. If every student donates 2 cans non-perishable canned food, we could raise over 800 cans for our community. Donation drop-off will be in front of the multi-purpose room from 7:30-8:30a on the 31<sup>st</sup>.

Here are some of the fun things to look forward to on this Fall Festival day! Check out the flyers to come. Hope to see you there!
