

# ISM AFTER SCHOOL JEWELRY CLASSES

- \* learn how to create your own jewelry pieces using wire bending techniques with brass wire and a variety of beads and pearls.
- \* get familiar with using tools like pliers, wire cutters, files and jigs.
- \* classes are open to all students with a recommended age of 7 years and up. Younger students accepted by permission of instructor.

**instructor:** Nick Trachsel an ISM parent, has been designing and creating jewelry for over 25 years. More recently, he has been teaching jewelry classes at ISM as well as other schools on the Monterey peninsula.  
To contact him call: 372 7865 or e-mail [njtrachsel@sbcglobal.net](mailto:njtrachsel@sbcglobal.net)
